

**Part 1**

## Success Behaviours

- ★ **Gain and apply** the required knowledge and skills.
- ★ **Shift your perceptions** as they develop the right mindset for the task at hand.
- ★ **Grow your conviction** as you persevere with the technique and develop it into a habit.
- ★ **Build the character** you need for the challenge.

---

---

---

---

---

---

---

---

## Success Behaviours

### Before Lessons

**Books**

- ★ Read the appropriate chapter from the textbook
- ★ Read over your notes from the previous session

**Prepared**

- ★ Arrive at lessons on time ready to learn
- ★ Arrive with appropriate equipment and resources

**Absent**

- ★ Politely ask the teacher what you have missed
- ★ Ask a friend to help you to catch up with missed work before your lesson

---

---

---

---

---

---

---

---

## Success Behaviours

### During Lessons

**Listen**

- ★ Concentrate and listen hard from the start to finish during all your lessons
- ★ Listen to the teacher as well as their peers

**Understand**

- ★ Ask teacher or peer politely if you don't understand
- ★ Offer to answer questions in class when asked by your teacher

Questions and answers reinforce your learning.

---

---

---

---

---

---

---

---

**Success Behaviours**  
**After Lessons**

**Notes**

- ★ Make notes on key points discussed by your teacher and peers by bouncing off ideas
- ★ Make yourself and others comfortable when making notes, by not being disruptive

**Homework**

- ★ Complete homework soon after it has been set
- ★ Draft and redraft your work using teacher comments and model answers

Try not to delay getting started.

Always look at samples of model answers.

**Success Behaviours**  
**After Lessons**

**Notes**

- ★ Make notes on key points discussed by your teacher and peers by bouncing off ideas
- ★ Make yourself and others comfortable when making notes, by not being disruptive.

**Homework**

- ★ Complete homework soon after it has been set.
- ★ Draft and redraft your work using teacher comments and model answers.

**Achieve**

- ★ Achieve better marks next time for homework
- ★ Use multiple text books
- ★ Try reaching your full potential consistently with any future work

---

---

---

---

---

---

---

---

**To summarise, before lessons...**

1. Check their planner and specifications
2. Ask them to read the book chapter
3. Remind them to read over their notes
4. Know your command verbs
5. Identify what you do and don't understand

---

---

---

---

---

---

---

---

**To summarise, during lessons...**

1. Focus on the lesson
2. Listen to your teachers and peers
3. Make effective notes
4. Identify what you do and don't understand
5. Ask for help

---

---

---

---

---

---

---

---

**To summarise, after lessons**

1. Read over notes
